Dear WWII Veteran:

The U.S. Navy Cruiser Sailor Association Board of Directors voted at the Charleston Reunion to waive annual dues for WWII Veterans beginning with the 2018 calendar year.

In addition, the Board voted to allow WWII Veterans a \$100 credit toward annual Reunion expenses, also beginning in 2018 at the Tucson reunion in May.

These measures were implemented to express the USNCSA gratitude to the "Greatest Generation" for the extraordinary service of the WWII Veterans for their country and to encourage your attendance at Reunions.

Thanks again for all you have done.

*David Blomstrom
President, USNCSA*
